Dear Friends,

NBS Global Venue provides top-quality venue search services for international congresses all around the world, specializing in the Medical and Pharmaceutical congresses.

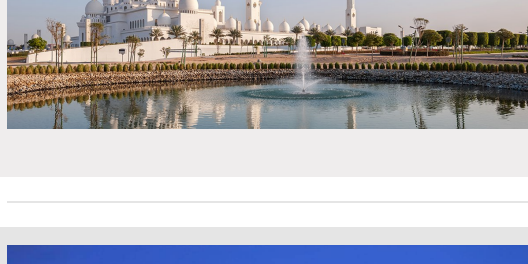

International congresses are often held at high-demand cities, and booking venues at these locations can be a formidable challenge. NBS Global Venue's industry strength and personal contacts enables us to obtain rooms at cities that are already at full capacity or overbooked.

Feel free to contact us for any request you might have:
